COMMENCEMENT SPEAKER

John Cominsky

Defensive Lineman, Atlanta Falcons
2018 UC Graduate

"Finding purpose in your life and why you do what you do is what I would consider the secret to happiness."

The first Golden Eagle to hear his name called in the NFL draft in 76 years, John Cominsky is currently a defensive end for the Atlanta Falcons. He was a fourth-round pick and the first defensive lineman the Falcons drafted in 2019.

Cominsky ended the 2020 season with 28 tackles, a sack, and a fumble recovery, playing in over 13 games. In his 2019 rookie year, he logged 10 defensive snaps per game and totaled 11 tackles.

A graduate of Barberton High School in Barberton, Ohio, he spent his high school playing years as a quarterback and defensive back and was named a second-team all-district defensive back as a senior. He came to UC with a scholarship and a change in position – UC coaches saw him as either a linebacker or defensive end.

At the beginning of his time at UC, Cominsky was 215 pounds, taking on other players that weighed considerably more. In an article in the "Charleston Gazette," Cominsky's father Steve remembers his son's calls during that first year at UC and the stories about him being overpowered on the field.

Knowing his son, he knew what his approach would be. "He just set it upon himself that he's not going to be beaten by anybody," the elder Cominsky said. "That's pretty much his focus. That's where I believe he gets his drive. He never liked to lose at anything."

That determination paid off. In his sophomore year, Cominsky earned second-team All-MEC honors. In his junior year, he became a first-team all-league pick with 23 tackles for a loss. And in his senior year, he was named MEC Defensive Player of the Year, named to the Third Team on the 2018 Don Hansen NCAA Division II All-America team, finished top-5 for career sacks, was First Team All-MEC, First Team All-Region, DII Football First Team All-American and named as a DII Conference Commissioners Association Scholar-Athlete of the Year.

He was also named to the Reese's Senior Bowl, playing on the North Team, where he not only represented UC but was also one of just two players representing DII level programs.

He is the first player in UC history to earn an invitation to the NFL Combine in Indianapolis, where he posted a 40-yard dash time of 4.69 seconds, second-best among defensive linemen.

In addition to his excellence on the field, Cominsky graduated from UC with a 3.98 GPA as a biology and chemistry double major.

He is a true example of hard work, determination, and support paying off and making career goals happen. Before his first game with the Falcons, he tweeted: "All those days I didn't wanna go, but I did. Those mornings I didn't wanna wake up, I did. Those days I really didn't know why I was even up at 5:30 am doing sprints, but I was there. The Dream is made today. IT's GAMEDAY on NFL Sunday!"
