TOTAL EMPLOYED/IN GRADUATE SCHOOL	90	97%	35	87.5%	2	100%	52	81%	42	67%		

- Data collection method changed in 2018 from an in-house survey to a survey through the Center for Career Development.
- Method of tracking data from 2019-2022 changed to a different platform (SureyMonkey), but still through the Center for Career Development
- Fall 2022-Fall 2023 tracking methods and platform (Microsoft Forms) changed again, still through the Center for Career Development
- Spring 2024-platform changed to Handshake, to utilize an existing platform by the Center for Career Development, to try and yield higher response rates, inclusive of all programs at the University of Charleston.
- Data for some non-responders was captured through other methods such as Linkedin profiles, all reporting years.
- ** Ongoing data collection, starting in December 2024, tracking/updating through 6 month reporting period. (Numbers listed will be from initial collection prior to report submission)
